

**Job Title:** CLINIC SUPERVISOR

**Location:** Wongu University of Oriental Medicine

**Qualifications:** At least 5 years' experience working in a clinical environment, evaluation, implementation and evaluation

**About Us:**

Founded in 2012 in Las Vegas, Nevada, Wongu University of Oriental Medicine is the first and only Oriental Medicine school in Nevada approved to grant a Master of Science degree in Oriental Medicine.

The mission of Wongu University is to educate students to become skilled Oriental Medicine practitioners who possess compassion and integrity. Oriental medicine is one of the oldest systems of medicine in history and has been used for thousands of years to prevent, diagnose, and treat disease.

Wongu University of Oriental Medicine and its master's-level program in Oriental medicine (MSOM) received accreditation in 2019 from the Accreditation Commission for Acupuncture and Herbal Medicine (ACAHM). ACAOM is recognized by the United States Department of Education as the specialized accreditation agency for institutions/programs preparing acupuncture and Oriental medicine practitioners.

Also, Wongu University's Master of Science in Oriental Medicine (MSOM) program has been approved by the California Acupuncture Board to be listed as a board-approved training program.

**Job Summary:**

Clinical supervisors at Wongu are both educators and healthcare providers. Wongu's clinical program aims to provide optimal care for each patient while developing the skills and confidence of each student intern to become competent and compassionate practitioners of Oriental medicine through direct patient care. Clinic supervisors have a direct responsibility to the patients who come to the Wongu Health Center for care.

**Clinic supervisors' primary areas of responsibility are:**

1. Ensure safe and effective clinical treatment of patients.
2. Teach and model the implementation of therapeutic strategy and supervise student interns.
3. Measuring and evaluating the clinical competence of student interns.
4. Support and maintain the efficient functioning of a professional community service clinic.
5. Ensure that all legal and safety guidelines are followed and implemented.
